Commission on Ministry

What is the Commission on Ministry?

Your Diocesan Commission on Ministry is here to make provision for affirmation and development of the ministry of all baptized persons, creating resources to assist parishes in their support to the laity in understanding that all baptized persons are called to minister in Christ's name, to identify their gifts with the help of the church, and to serve Christ's mission at all times, in all places.

The Commission on Ministry interviews those in the ordination process at postulancy, prior to candidacy, prior to ordination to the diaconate, and prior to ordination to the priesthood.

Our goal is to become a resource to parishes as they form discernment committees, parish commissions on ministry, or formulate other ways of performing this function in your parish.
